

BCA Staff post - holiday questionnaire in light of Covid-19 risks

To be completed by the staff member who has been on holiday:

We hope you had a good rest on your holiday, and we welcome your return to work in care. We endeavour to keep you, our teams and those we care for safe and well, and as such would appreciate your honest and accuracy in completing the following questionnaire. We may be requiring all staff returning from annual leave to have a Covid-19 test as part of our regular testing process.

Where did you visit?	
What date were you there (arrival – departure)	
Was this abroad? If so, in which country:	
Is there a requirement to quarantine after being in this country (according to UK Gov guidance)	
How did you get there? e.g. plane, bus, drive etc	
Did you use masks when travelling (if using public transport)	
Did you decontaminate your hands regularly when travelling?	
Where did you stay when you were away?	In a hotel With family (house share) In a self catering apartment Camping Other (please state):
What activities did you do when you were away? (please list)	
Who did you go on holiday with? (please list)	
Is there anything about your holiday that may have put you or those you were with, at risk of Covid -19 or any other infection?	
Were you in anyway unwell when you were away?	
Do you feel in anyway unwell now?	
Do you understand that if you are in anyway unwell you must inform us ASAP about it?	
Did you rest for 2 days on return from holiday before returning to work?	
Have you had a Covid -19 test since returning to UK?	
For Office use:	
Managers risk assessment of staff being able to return to work – see over page if space needed. Is this country on the list of places where quarantine is required? Yes / No Is this person safe to return to work? Yes / No Sign: _____ Date: _____
