Estimated days saved (based on average of 3)	303
Estimated cost saved (based on average of £450)	£ 136,350.00
Assuming £300 per day	£ 90,900.00
Assuming 220 per day	£ 66,660.00

Average days to discharge	
Admission to Discharge	20.29
MFFD to discharge (days)**	8.94
TA assess to D/C	2.20
TA contact to discharge	3.49

*The Trusted Assessor was not always involved at a time when an assessment was required. However they were often called upon to deal with issues further on related to discharge.

** As can be expected, patients/residents on the MFFD list often move on and off the list. Therefore this was a difficult figure to analyse.
